Year 10 Subject Selection 2017

Name: _____

The information below lists the availability of subjects on timetable lines. In Year 10 you must select 2 electives. Please note:

- **In Year 10 the compulsory subjects are: English, Maths, Science, Humanities (History, Geography, Civics & Citizenship), HPE.** These compulsory subjects are already entered on the table below.
- You **MUST** choose **2** electives. The electives are: Art, Business, Drama, Graphics, Home Economics, Industrial Technology and Design (ITD) and Japanese.
- *You have to make a choice between the electives offered at the same time.*
- Some classes will have limits on the number of students who can do the subject (eg ITD and Home Economics) due to the practical nature of the subject and/or room configuration.
- A number of the year 10 classes will be combined with year 9 classes. This will be done to ensure that each elective is offered. A combined class is not uncommon and is easily managed in the school.
- Return this form as soon as possible to ensure you get your preferred subjects. Contact the Deputy, Mr Buttsworth, on 47905666 to discuss choices if problems exist.
